

EPORTA ONE YEAR ANNIVERSARY PARTY

October 19, 2016 by *eleanorwhiston*

Last Thursday (13th October) we celebrated our One year Anniversary, with a party at the CP Hart Waterloo showroom – where our curated interiors exhibition is currently on show.

It was a completely sold out event evening with buyers, suppliers and press aplenty. Cocktails from D1 London went down a storm and WGSN Lifestyle presented future trends, alongside our very own Head of Marketing, Bea Addis, who highlighted key trends and popular trade products we have seen over the last year.

Huge thank you to everyone who joined us to make it such a fantastic evening, and such a wonderful, whirlwind year!

The exhibition shows many suppliers and products that feature in the trend report, and is on from now until January 2017 (full selection till Nov 2016). You can see the exhibition at CP Hart, 213 Newnham Terrace, Hercules Rd, London SE1 7DR, who are offering a free coffee to all trade during their visit.
